

VILLAGE CENTER REOPENING MEMBER HEALTH AND SAFETY AGREEMENT

Thank you for choosing the Village Center for your Fitness Experience. As we navigate through these unprecedented times, our goal as we reopen is to provide a safe and sanitary environment for both participants and staff. Your signature below acknowledges your understanding and agreement to the following guidelines.

- As a courtesy to everyone on site - if you are sick, stay home. If you have a temperature, stay home. If someone in your house is sick, stay home. If you have allergies and can't control sneezing, stay home.
- While in the facility, maintain a distance of at least six feet from other members and employees at all times.
- Plan your workout routine in advance to avoid lingering and socializing. This will allow more members to work out given the reduced occupancy necessitated by distancing requirements.
- Limit the items you touch within the facility to only the items you will use.
- Please note: At this time it is required that you wear a mask the entire time that you are in our building.
- Towel service will not be provided. You may bring your own personal towel that must remain with you during your workout.
- Clean each piece of equipment before and after you use it. At check in you will receive your own disinfectant spray bottle and towel.
- Please wash your hands before and after you leave the facility. If it is not possible to wash your hands, use hand sanitizer when you enter and before you leave.
- All workouts are by appointment only. Call the Village Center at 608-850-5992 to schedule a time.

The Village Center has the right to refuse service to anyone exhibiting COVID 19 symptoms or not following facility guidelines.
